

The Irvine Family Resource Center presents

Active Parenting of Teens

A seven-week video/discussion series with the information and skills you need to parent effectively during the pre-teen and teen years

Being a parent today seems more difficult than ever before, with kids and families facing social and family issues that are far different than in the past. **Active Parenting of Teens** is a highly acclaimed, award-winning, **7-week video based workshop** for parents and others which will help you gain the knowledge and skills needed to provide positive effective parenting with pre-teens and teens. Join us for this series and learn effective ways to instill courage and self-esteem, deal with negativity, develop responsibility, win cooperation, give consequences, increase positive communication, and deal with challenging topics like values, sexuality, alcohol and other drugs. **If you have children ages 12 or older**, give yourself the gift of this workshop to gain confidence, make sense of your teen's behavior and get real, practical skills to put into practice.
